To Whom It May Concern:

I have known Marigale Maly since January, 1987 and have found her to be honest, responsible and reliable in all of my dealings with her. I believe she would be a credit to the real estate profession and recommend, without reservation, that she be awarded a real estate license by Arizona Department of Real Estate.

Sincerely,

A handwritten signature in black ink, appearing to read "Roy W. Drachman". The signature is stylized and fluid.
