To Whom it May Concern: ,

Gale Maly has been my property manager for ten years. She has had complete access to my home and has been responsible for its care and upkeep for as long as six months at a time when I have been elsewhere.

Gale was originally recommended to me as a responsible person of high moral character with an excellent reputation in the community. It has been a pleasure to work with a person who strives for a high degree of excellence in the carrying out of her duties.

Sincerely yours,
