

Food & Drug Stores

**REAL ESTATE**

To Whom It May Concern:

This letter is to inform you that as a property manager for Fry's Food and Drug, I have had the opportunity to not only work with, but develop a friendship with Maly & Associates and Gale Maly.

Gale and her staff are extremely professional, reliable and trustworthy. I am extremely grateful to have them as our vendor, resource and friend. I will continue to utilize Maly and Associates for any and all of her various services. I highly recommend them enthusiastically!

Fry's has grown over the past few years from 60 stores to now more than 100 in the state of Arizona. One of the most important parts of my job is to have vendors that I can trust assisting me, get the job done as efficiently and economically as possible. Maly and Associates does a flawless variety of services. Gale's company, over the last eight years has provided full services at four Tucson locations I manage. They also work at nine other shopping centers for other property managers where Fry's is a tenant. These services have included (but are not limited to) parking lot sweeping, dayporter service, landscaping service, sign installation, painting, pigeon proofing, tree installation and trouble shooting every imaginable problem (including the most valuable - expeditious recommendation to solve the problem). Since I have limited time for personal inspections, as an invaluable resource, Gale has made and updates photo albums on our Tucson locations and their on going development

As you can see, Gale and her company have gone far beyond that of providing a quality service. Any random inspection of the properties has made me extremely proud to be the property manager and all the credit goes to Maly & Associates.

Should you have any questions, please contact me at (602) 477-1812.

Sincerely,

  
Mary Addington,  
Fry's Property Manager
